KLAVON'S SET TO OPEN NEW MASON LOCATION EARLY 2019

MASON – Klavon's Pizzeria and Pub, known for serving one of Michigan's top-rated pizzas at its popular Jackson-area destinations, is pleased to announce the opening of a third location in Mason this winter.

The Mason restaurant is Klavon's first venture into the Lansing area after delighting customers for more than 10 years at its current locations in Rives Junction and Vandercook.

"Our customers are passionate about Klavon's because of our quality hand-crafted food and beverages and warm, inviting atmosphere," Owner Justin Klavon said. "We couldn't be more excited about expanding the Klavon's experience to the Lansing area. We like that people have a high expectation of Klavon's and enjoy blowing their minds when they walk through our doors."

Customers to the new Mason Klavon's will find it easily accessible off US 127 at Kipp Road (Exit 64) across from the Mason Meijer. The 9,000-square-foot restaurant and bar will seat approximately 200 guests.

The new location is expected to employ about 150 people and will host a job fair prior to its opening.

While Klavon's thick stuffed pizza put them on the map, customers also come back for the varied menu, friendly staff and relaxed sports bar atmosphere. The menu features four styles of pizza – Neapolitan wood-fired, Detroit-style, Chicago-style and Classic American.

In 2013, Klavon's stuffed pizza was rated among the top 10 in M-Live's search for the best pizza in Michigan. The pizza received the highest rating of any made in mid-Michigan. Klavon's also has been recognized for having the best craft beer selection in Jackson.

Justin Klavon opened the first Klavon's in Rives Junction in 2007 as a take-out and delivery operation with limited seating. The business soon expanded into a restaurant and bar, and Klavon's opened a second, larger location in Vandercook in 2014. Klavon's has nearly 200 staff members at the two locations and serves over 500,000 guests each year.
